Justin Kemp Band is based out of Hobbs, NM and has performed at venues, fairs, and festivals all over Texas and New Mexico. JKB has opened for artists such as Josh Abbott Band, Wade Bowen, Kevin Fowler, Bleu Edmonson, Prophets and Outlaws, and Grady Spencer. JKB also performed as the South Stage (regional acts) headliner at the Las Cruces Country Music Festival between North Stage (national acts) Tanya Tucker and Travis Tritt, as well as at Alley Taps in Nashville's Printer's Alley during CMA Fest Week 2017.

The following is a list of references from venues JKB has recently performed at:

Midland/Odessa, TX: Rolling 7s Ranch & Event Center - Brit Hooper – 432-770-7674

Lubbock, TX : Charley B's - Robert Qualmann – 832-298-4895

Hobbs, NM: Zia Park Casino – Isaac Gonzales – 575-441-3936

JKB plays a set list that includes about an hour of original material mixed in with some covers of great country dance music, mostly all-time favorites from the 80's and 90's, as well as a couple of the current, "real country" Texas favorites. (Sample set list can be provided upon request)

Please check out JKB's EPK at <http://www.justinkempband.com/epk.htm>, where you can hear the recently released album, "My 2 Cents", learn more about Justin and the band, find videos of live performances, the full show calendar, and links to social media pages on [Facebook](#), [Twitter](#), [Instagram](#), and [Spotify](#). The song "Still Breathin'" from the album is currently being promoted nationwide by Jerry Duncan Promotions out of Nashville on the Music Row Breakout Chart.

Justin Kemp Band would be honored to have the opportunity to perform at your venue. Please contact me any time via phone or email.

Thank you in advance for your consideration and I look forward to the possibility of establishing a great professional relationship with you in the near future.

Respectfully,
